## Corporate Reporting:

3 of 3 review helpful Confidence Game By dennis wentraub There is a risk that this thoughtful proposal for a new way of formatting business disclosure will be overshadowed by the spectacular bankruptcies and accounting scandals of the day What the market appears to be looking for in the summer of 2002 with headlines of business disasters at Enron Global Crossing Adelphia Communications and WorldCom are corporate wrong Business reporting in a post apocalypse global marketplace Clearly now is the time for creating an effective business reporting model appropriate for the markets of the twenty first century Rather than start from scratch after the Enron Andersen fiasco two leading consultants from PricewaterhouseCoopers present a plan that supplements the current model one in which executives accountants analysts investors regulators and other stakeholders can truly embrace Building Public Trust by Samuel A DiPiazza Jr and Robert G Eccles couldn't be more timely or necessary Arriving in the wake of a seemingly endless stream of corporate accounting scandals which in a matter of months have bankrupted Enron and
