By Craig A. Jeffery : The Strategic Treasurer: A Partnership for Corporate Growth preface acknowledgments chapter 1 building the case for being a strategic treasurer volatility and turbulence as opportunity resiliency diversification and the strategic treasurer a partnership for corporate growth public health inspiration for tomorrows leaders the bat house builders handbook completely revised The Strategic Treasurer: A Partnership for Corporate Growth:

The current period of market and governmental turbulence is the most challenging yet rewarding time to be a treasurer. Now, as perhaps never before, the treasurer's vision, skills, and worth will be tested and proven. A useful reference, *The Strategic Treasurer: A Partnership for Corporate Growth*, systematically equips today's corporate treasurers to move from merely being the liquidity manager to becoming a strategic driver and steward of the organization. From the Inside Flap: Market turbulence has created both major risks and opportunities for treasurers in recent years, emphasizing their need to better manage liquidity risks and to maintain a much higher level of visibility in their organizations. At the same time,
