0 of 0 review helpful The best tutorial book on IFRS I ever read By KONSTANTINOS PETALAKIS The best tutorial book on IFRS I ever read Simple to the point fast read with references to the IFRS paragraphs and with so many examples that makes it impossible to misinterpret the theory Gain a deeper understanding of financial reporting under IFRS through clear explanations and extensive practical examples IFRS can be a complex topic and books on the subject often tackle its intricacies through dense explanation across thousands of pages Others seek to provide an overview of IFRS and these while useful for the general reader lack the depth required by practitioners and students

IFRS Essentials strikes a balance About the Author Dr Dieter Christian is a lecturer at the Vienna University of Economics and Business several other Austrian universities and various private seminar companies He is an author in the area of IFRS and Austrian GAAP He was formerly a Se
